

I am greatly opposed to the Consumer Bankers Association (CBA) attempt to overturn Indiana's Telephone Privacy Law. I do not want the CBA to be allowed to impose the federal "established business relationship" exemption on Indiana consumers. I value my privacy and do NOT want them calling me on my home or cell phone, as I already receive far too many calls now businesses who claim "they were referred to me". I am requesting you to not allow this to happen. Sincerely, Duane R. Morgan
